

1 by 1 Leadership offers a youth basketball clinic on Saturdays. The clinic will consist of skills and drills followed by games to help develop their skills.

Unlike most recreation programs, usually operated by volunteer coaches and parents, 1 by 1 Leadership Foundation teams are coached by the Immokalee basketball team who teach and coach the game of basketball in carefully planned progressions. The fundamentals and progressions taught by our coaches lead into offensive and defensive concepts. Skill, Drill and Compete comprise the formula for success in 1 by 1's Young Indians Clinics.

At the clinics, each child can learn many of the techniques needed to be successful in basketball without having to be on an elite travel team. In addition, our program is adjusted to the age and ability of the players to ensure that the highly skilled athlete will get challenged and will have the opportunity for success.
